This has been used at the University of Lincoln and the University of Nottingham. Implemented in ERP/PACS in Perforce. Awards It is the first enterprise content management system (ECM) to be selected as a finalist at the 2004 Gartner Content Management Selector Awards. The company and its founder were awarded the "Best Software Innovation" award for 2005. Deployment OpenText TBS has been widely deployed in many large organizations. The TBS Product Manager claims deployment in over 5000 organizations worldwide. Solution Options OpenText is no longer the only enterprise content management solution. It is the only solution to have been
