Shaira Verona - Nitezuma (MIDI) (\$0.00) Title Nitezuma Genre Jazz/Singer-Songwriter Release Year 2013 Total Songs 13 Total Music Length 1:29:47 Language English A MIDI-file of a unique and fantastic musical composition performed by Shaira Verona. This musical piece is an interpretation of the feelings and experiences of the Japanese Nitezuma episode of the new year and is perfectly compatible with the modern love philosophy. Nitezuma (ニテズマ Nitezuma sambomu) is the name of the Japanese new year time when the sky is illuminated with a multitude of firecrackers set off for the welcoming of the new year, the start of a new year of prosperity, love and good luck. Nitezuma is the night before the start of a new day. It is a time of dreamy meditation and gratitude. It is said to bring happiness, longevity, good health, and peace of mind. This composition is written to coincide with this special time of the year. The emotional feeling of this music is to bring in a "new world" of love, peace, and happiness in your life. There are various interpretations and meanings to this. Be in the moment and let it unfold as you listen. Lyrics: I heard the chime of the bells of the New Year's festival Ooooooh, ooooooh, ooooooh, ooooooh The time has come to start new year I've got to have faith in the new beginning Of this strange world I live in 'Cause I'm a person of faith And I believe that I can change the world With my prayer and my thoughts Just let the dream I dream every night come true In my heart and my life I heard the chime of the bells of the New Year's festival Ooooooh, ooooooh, ooooooh, ooooooh The time has come to start new year I've got to have faith in the new beginning Of this strange world I live in 'Cause I'm a person of faith 'Cause I believe that I can change the world With my prayer and my thoughts Just let the dream I dream every
