## **Worship Him Power Lite Edition**

### **What's New in the Worship Him Power Lite Edition?**

Worship Him Power Edition is a software application whose purpose is to help you create religious video presentations that can be projected on multiple monitors. Although it comes bundled with many dedicated parameters, it sports a clean and straightforward layout. The program gives you the possibility to project Bible verses and religious song lyrics, perform search operations, as well as select the Bible chapter, source, version, and verse. What's more, you can create a cue list, specify the playing order, edit the information included in the religious lyrics, import data from a valid URL, add

pictures (e.g. BMP, JPEG, GIF), as well as embed PowerPoint presentations. Other important features worth mentioning are represented by the possibility to hide or reveal logos, insert macro files, show on every slide the title, author, and copyright data for each song, as well as insert various transitions (e.g. Fade In or Out, Wipe, Scroll). Worship Him Power Edition enables you to attach text messages after the desired line, announcement titles, and messages (e.g. banner, box, Flash), upload videos (e.g. AVI, MPG, FLV, MOV) and songs (e.g. WAV, MP3, ASF, WMA), import data from DVDs or CDs, as well as launch other utilities or documents. During our testing we have noticed that the tool carries out a task quickly, and without errors throughout the entire process. However, it eats up CPU and memory, so the overall performance of the computer may be

hampered. As a conclusion, Worship Him Power Edition offers a decent feature pack for helping you create religious projections, and is suitable for all types of users, regardless of their experience level.
